

PM01

Can Press

Light Duty; Manual Operation

Brochure/Manual

Solid, hard-working, simple. That sums up the PM01 Can Press. This easy one hand operated Can Press is constructed of sturdy stainless steel and is wall mounted.

Operation

1. Mount the Can Press firmly on a sturdy wall at a useful height using the mounting screws provided.
2. Place a receiving tub underneath the chute.
3. Place cans to be crushed one at a time into the press.
4. Release the spring which maintains the handle.
5. Pull the handle firmly down to crush and up to disengage the can into the chute.

Cleaning & Maintenance

1. Empty receiving tub and wipe down daily.
2. Clean Can Press daily with a damp sponge.

NB: Keep hands away from inside chute whilst pulling the handle down to avoid crushing.

Specifications

W x D x H (mm): 280 x 405 x 1120
Weight: 19.5kg
