

BRICC

Cheese Cutter

Light Duty; Manual Operation

Solid, hard-working, simple. That sums up the Brice BRICC Cheese Cutter. This traditional-style manual cutter cuts through all kinds of cheese, from small blocks to complete wheels.

- **Generous Proportions**
Big base that's 260mm width x 670mm depth x 360mm height. The complete unit open stands at 650mm high.
- **Food-grade materials**
The base is made of HMW Polyethylene; the bow is Bright Chrome-plated steel, secured by a stainless steel hinge pin; the cutting wire is 0.9mm diameter food-grade 304 stainless steel.
- **A solid start**
Sturdy construction means a solid start to any cheese cutting operation – at 8kg, the cutter is solid enough for the biggest rounds, yet light enough to move around as required.
- **Cutting Capacity**
The maximum cutting capacity is 350mm
