

INTRODUCING THE ALL NEW

Berkel

Vacuum Packer

"The quality of a professional slicing experience."

Food as fresh as the second they were prepared

Introducing our Home Line Vacuum Packer

Through its unique and unmistakable style, Berkel has transformed an ordinary household appliance into an innovative object with a refined design. The Berkel signature imprinted on the stainless steel enhances the visual impact of Berkel Vacuum Packer, perfect for display in your kitchen.

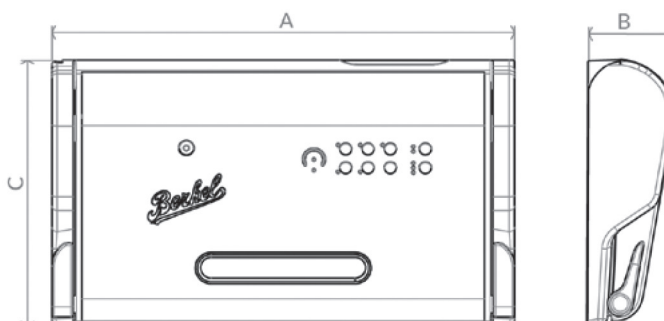

The Berkel Vacuum Packer perfectly compliments the slicer, guaranteeing the conservation of flavours, freshness and quality of foods, while eliminating unnecessary waste.

Features:

- Lit window display
- Double suction pump for greater duration over time
- Excellent flow rate equal to 18 litre/min to reduce work times
- 3 sealing programmes (dry, humid and very humid foods)
- 2 speed levels for very delicate foodstuffs
- Other functions: sealing, vacuum for containers and rapid marination
- Hygienic stainless steel cover, ABS case
- Liquid collection tray
